For sale is a house located on the east coast of Istria, near Labin, which in recent years has become an increasingly popular destination due to the peace it offers and the wild beaches located in the immediate vicinity.

This house extends over two floors and consists of two separate residential units. Each floor offers an unobstructed open view of the sea, further emphasizing the attractiveness of this home. On the first floor is the first apartment, which includes an entrance hall, two spacious bedrooms, two bathrooms, a toilet, and a living room with a kitchen and dining room in an open space concept. From this space you can access a spacious covered terrace, providing the perfect place to enjoy the view of the sea. An internal staircase leads to the second floor, where there is another apartment with a similar layout - entrance hall, two bedrooms, bathroom, toilet, and living room with kitchen and dining room, also connected to a large covered terrace.

This property represents an ideal opportunity, either for those who want to invest in tourism or simply enjoy with family and friends. With its position, functional layout, and proximity to the sea, this house provides a perfect combination of privacy and the bounty of nature.
