This neo-colonial style condominium, created by one of Phuket's leading developers, is located very close to Boat Avenue, one of the most popular spots in Bang Tao. This project stands out for its location, as the plot of over 25,000 square meters is located just 250 meters from Boat Avenue, in the heart of Phuket's busiest area, where many restaurants, bars and shops are concentrated.

Central Group's Porto de Phuket Shopping Center and Laguna Phuket Resort are also nearby, making this an ideal place to live and relax.

The complex consists of 7 seven-story buildings surrounded by swimming pools and green spaces. Particular attention is paid to the creation of common and green areas: more than 6,500 square meters are dedicated to amenities that include a library and lounge area, conference room, cinema available by reservation, restaurant, rooftop bar, fitness, yoga areas, onsen, jacuzzi, children's areas and children's club, swimming pools and waterfalls, "lazy river". More than 5,800 square meters are also allocated for green spaces. This reflects a design philosophy aimed at creating a resort-like atmosphere with spacious pools, hotel-class amenities and tropical greenery.

The complex provides a unique opportunity to live in the heart of Phuket's action, enjoying high-class comfort and amenities.
