A modern residential complex in the Surin area combines the elegance of traditional Thai style with laconic finishing. Located in a picturesque, elevated location, the project offers residents a unique view of the Andaman Sea and the beaches of Surin and Bang Tao. Thoughtful landscaping creates a sense of seclusion and privacy, allowing you to enjoy the tranquility of island life.

Every aspect of the project, from the spacious public areas with a café and restaurant to the state-of-the-art fitness center and 24-hour security, is designed with comfort and safety in mind. The main highlight is the main pool, surrounded by exotic gardens, which invites you to relax and rejuvenate.

A Thai-style lobby welcomes guests, while the rooftop lounge area offers an infinity pool with panoramic sea views, where you can spend unforgettable evenings enjoying the sunset. In the immediate vicinity of the complex there are numerous public spaces, including restaurants, bars, boutiques, beach clubs and supermarkets, providing a complete island lifestyle.

The complex offers an ideal place to live and relax, and can also become a promising investment opportunity thanks to the management of the project by a leading hotel chain. It will also be of interest to investors and those looking for a secluded place to live. We invite you to explore the opportunity to become part of this prestigious project in Phuket, which offers privacy, comfort and proximity to world famous beaches.
