The villa complex offers unique conditions for a comfortable stay in Phuket. Each villa is built using modern technologies and using natural, environmentally friendly materials. The Smart Home system allows you to control all functions of the villa remotely, ensuring maximum comfort and safety. Thanks to the use of energy-efficient technologies, you can reduce your electricity costs and create a cozy atmosphere in your home.

The public area of the villas is designed in the style of a private club, which creates a feeling of exclusivity and privacy. The complex's location in the Bangtao area provides easy access to local beaches, restaurants and shopping outlets, making your daily life even more enjoyable and convenient.
