A complex in the Ko Kaeo area, the architecture of which is inspired by nature: the curves and lines of the facade of this residential complex resemble the grace of sea waves, and the play of light on its surface creates the feeling of sun reflections on the water. This project aims to be a place where every design element complements and enhances the beauty of the natural landscape.

Multifunctional event space: ideal for corporate events and stylish parties, offering a unique combination of gastronomy and atmosphere.
