We present to you a unique project in Phuket, combining modern tropical style and comfort. This exclusive complex of 20 villas is located on an area of approximately 4 rai and provides maximum privacy and seclusion. Each villa is designed to suit Phuket's tropical climate and blends harmoniously with its natural surroundings. The combination of modern elements and natural materials creates a unique atmosphere of comfort and elegance.

Project General Manager Mr. Supasit Charoensin, with over twenty years of experience in the Phuket real estate industry, is at the helm of this project. Known for his innovative approaches to design and construction, he and his team make this project unique and sought after in the premium real estate market.

We invite you to explore this project where you can enjoy a tropical lifestyle surrounded by natural beauty and elegant design. Contact us now for more information and to arrange a personal viewing.
