The start of sales of a new project opens up unique opportunities for those who want to purchase real estate at the very initial stage of construction with the possibility of benefiting from up to 30% of the increase in prices by the time construction is completed. This project, developed by experienced architects and urbanists from Amsterdam, promises to be completed before June 2026 and will give its owners not only high-quality housing, but also the unique appearance of each apartment.

The unique location on a hill provides magnificent views, making this complex ideal for high rental yields. Become the owner of housing in this beautiful complex by choosing apartments at the best prices.
