Seget Vranjica, a modern family house with a swimming pool with a beautiful panoramic view of the entire archipelago.

The house with a gross area of 365 m2 extends over three floors on a plot of 613 m2.

From the yard you enter the garage and on that basement level there is also a space for socializing, a storage room and a fully equipped bathroom. An internal staircase leads to the ground floor, which consists of a spacious living room, kitchen and dining room with access to a terrace with a view, a bedroom, a bathroom and a study. Upstairs there are three more bedrooms and two bathrooms. The house is surrounded by a beautiful Mediterranean garden, a swimming pool of 32 m2, a sunbathing area and a barbecue.

Thanks to its position, the house has a wonderful view of the sea, which will not be enclosed because the space is already defined. An excellent investment in tourism and as real estate for a peaceful family life.

The house is near Medena and Belvedere beaches and only 8 kilometers from Split airport.
