Zagreb, Gornji Stenjevec, family house with gross floor area of 414 m2, located on a beautiful plot of 751 m2. Divided into three floors; ground floor, first floor and attic, which as a whole make up one residential unit. The ground floor has a lower height of 220 cm and consists of an entrance hall, a living room with a dining room, a kitchen and a staircase. On the ground floor there are also two large storage rooms with a separate entrance. On the first floor there are three bedrooms, a living room, a bathroom, a guest toilet and a spacious covered terrace of 50 m2. The attic is an unorganized space without partitions, with two balconies oriented to the east and west. The house has a garage of 25 m2 and an additional building with another garage. Floor gas heating, in the living room an additional large potash stove, landscaped environment and garden, solar panels for heated water, alarm. Great location for a quiet family life. For all other information, feel free to contact us.
