Welcome to the world of quiet luxury and unique properties on the island of Phuket! I would like to introduce you to the exciting details of the project, which is located just a few minutes' walk from the British International School of Phuket (BISP) in the Koh Kaew area.

The project includes 20 villas, each of which is a harmonious combination of modern and classic European design. On the ground floor you will find a cozy hall that serves as a living and dining room, as well as a modern kitchen. Some spacious villas also have a guest bedroom.

There are three bedrooms on the top floor. A highlight is the spacious master bedroom with walk-in closet, en-suite bathroom and private balcony with views of the surrounding countryside. The location of the villa is ideal for families with children attending the British International School of Phuket.

It is also a short drive to the Royal Phuket Marina and the lagoon, with many supermarkets and restaurants. Loch Palm and Red Mountain Golf Courses are 15 minutes' drive away. For those who value convenience, the vibrant town of Phuket can be reached in 15-20 minutes by car.
