Vodice, soon to be fully completed, a modern semi-detached building divided into two floors.

The ground floor is divided into three bedrooms with attached bathrooms, and a basement/engine room for the pool.

Internal stairs lead to the upper floor, where there is a wonderful open space living area (kitchen, dining room and living room), and a guest toilet.

Thanks to the large aluminum joinery, the space is fully lit from three sides (north-east-south).

From the living room there is access to a spacious terrace with an outdoor swimming pool (8 x 3 m) and a view of the sea.

The facility is equipped with underfloor heating, and air conditioners are distributed in every room.

Quiet location, just a few minutes' drive from beautiful beaches, near all necessary facilities (shops, restaurants,...).

I am available for all further questions.
