Zagvozd, a great newly built house with a pool, divided into two floors.

The ground floor is divided into a garage big enough for two cars, a hallway, a tavern, one bedroom, a social area, and an area with a sauna and jacuzzi. The first floor consists of a hallway, three bedrooms with attached bathrooms, a toilet, a kitchen with a dining room, and a living room.

The cultivated and fenced garden is ideal for rest and relaxation, thanks to the outdoor pool and gazebo.

An ideal investment, whether it is a residential solution or an object for tourism.

The facility is surrounded by peace and nature, and less than 15 minutes' drive from the beautiful beaches of Baška voda.

For all other questions, I am available. Zagvozd, excellent two-story house with sauna and swimming pool
