Podstrana, in an ideal location, second row from the sea, there is a completely renovated and furnished three-room apartment. It consists of a hallway, three bedrooms (one with a wardrobe), two bathrooms, a kitchen with a dining room and a living room with access to a spacious terrace with a beautiful view of the sea. The area of the living space is 93.64 m2, the total area of the two loggias is 27.32 m2, while the terrace is 60 m2.

The apartment has one garage space, one outdoor uncovered parking space, and a storage room on the ground floor of the building (3.53 m2).

The investors paid great attention to the interior decoration, so each apartment has an indoor fireplace, high-quality Italian ceramics (living area 120x120 cm, bathrooms 180x90 cm), while the rooms have three-layer parquet 14 mm thick.

All rooms have built-in fan coil systems, underfloor heating is installed in bathrooms and corridors.

The facility is located in the immediate vicinity of the best hotel in Dalmatia - Le Meridien, which hides a lot of interesting content such as a tennis court, an excellent spa area, a gym, and the most famous beach bar Gooshter.

I am available for all other questions.
