In beautiful Rovinj, the pearl of the Adriatic, the most sought-after location on the Istrian peninsula, this new building represents everything you need for a luxurious life.

We present an apartment located on the ground floor, consisting of an entrance hall, laundry room, bathroom, and two bedrooms, one of which has its bathroom, then a spacious living room with kitchen and dining room.

An interesting part of the property is the loggia with which one of the bedrooms and the living room communicate.

Below is a private garden of 266 m², which offers the possibility of access from the asphalt road, as well as the construction of a swimming pool at an additional cost to the future owner.

The apartment has an outdoor parking space, a garage parking space, and a storage room.

Among the equipment, we highlight underfloor heating in all rooms, air conditioners for heating and cooling through wall or parapet air conditioners with the possibility of control via a mobile application, aluminum glass walls, 1st class parquet or ceramics, fire and burglary doors, sanitary equipment in sanitary facilities, depurator/water softener, alarm system with smoke detector and internal and external siren, video surveillance of the garden, video intercom, yard and garage door with remote control.
