House with a swimming pool of modern design, high standard of construction quality and level of equipment, located on a hill with a beautiful panoramic view of the sea.

The gross area of 190 m2, located on a plot of 510 m2, is located 400 m from the sea, extends over two residential floors, and the closed living area is 182 m2, with a swimming pool and a large terrace in front of the building, as well as an additional storage room and engine room.

In front of the house is a fenced driveway with parking for three cars.

It consists of a ground floor and a first floor, and a basement as a basement part, and in front of the building is a terrace with a swimming pool, sunbathing area and landscaped garden, a fenced yard and a parking lot in front of the building.

It has 4 bedrooms, one of which is a master bedroom with its own bathroom, a large living room, a kitchen and an open-plan dining room that opens onto a spacious terrace with a swimming pool and sun deck.

The ground floor consists of: a kitchen with a dining room and a spacious living room, a shared toilet with a bathroom and one smaller bedroom with its own. In front of the building with a direct exit from the living room is a large spacious terrace with a swimming pool, an outdoor shower with hot water and a sun deck and a garden with planted palm trees, olive trees and indigenous plants and a built-in system for self-watering as well as a fireplace canopy with a movable roof.

On the first floor, on the south side, there are three spacious, comfortable bedrooms, one with its own bathroom, and a spacious loggia to the south, which offers a beautiful panoramic view of the sea and the Bay of Brač.
