Luxurious and high-quality new building in Premantura, located only 500 meters from Kamenjak and Stupice camp. The housing project consists of six apartments, spread over three floors, and what distinguishes them is the extremely high-quality construction and the first-class materials that will be used in the furnishing. The mentioned apartment that we are selling is located on the second floor, has an area of 74.50 m² and consists of: entrance hall, bathroom, storage room, open space living room with kitchen and dining room, terrace accessed from the living room, two bedrooms, one of which it has its own terrace and a multi-storey outdoor parking space. Electric underfloor heating throughout the apartment. Three inverter air conditioners in the rooms. Electric shutter lifters with mosquito nets. First-class ceramics and parquet floors in the bedrooms. The planned completion of construction is the winter of 2025. One of the rare opportunities to buy a property in a new building in the area of Premantura, so don't miss this opportunity. We are at your disposal for more information.
