Zagreb, Gornji Bukovac. A modern three-story villa of 318 m2 with an outdoor pool in an excellent location on a large plot of nearly 1400 m2, offering a beautiful view of Maksimir forest, Medvednica, and the city of Zagreb.

The ground floor includes a garage with two parking spaces, a toilet, an office, a small "guest apartment" with a bedroom and bathroom, and a covered terrace.

The first floor features a spacious living room with a dining area and kitchen in an open-plan layout, offering an unparalleled view through glass walls. Adjacent to it is a bedroom and a bathroom. From the first floor, there is access to a large terrace, partially covered, next to which is the outdoor pool. The bedroom has a separate balcony facing north.

The second floor contains two bedrooms with bathrooms, master bedroom has walk-in closet and a large gallery with access to a terrace.

The house is prepped for elevator installation, features top-quality lighting design, and with its technical and design characteristics, room heights of almost three meters, and quality earthquake-resistant construction, it is an excellent choice.

Located on a secluded street on a rectangular plot, it offers comfort and privacy to the owner. Additionally, the proximity to schools, kindergartens, and Maksimir Park adds value for a pleasant family life.

For any questions, we are at your disposal.
