In one of the best areas of Valldoreix, we find this exclusive house consisting of two completely independent residences. One is a duplex, completely renovated, where we find a spacious living-dining room with an integrated kitchen, a separate laundry room, a full bathroom with a shower, and a double bedroom with built-in wardrobes. Going up some stairs, we access the second floor where we find three double bedrooms with built-in wardrobes, a splendid master bedroom with a dressing room and direct access to a terrace with spectacular views, and a full bathroom with a bathtub. This duplex flat was completely renovated in 2005 with high-quality finishes such as aluminium exterior carpentry, double glazing, white lacquered interior carpentry, parquet flooring, radiator heating, and air conditioning in the master bedroom. The house has another independent residence on the third floor with its own access, consisting of three double bedrooms with built-in wardrobes, a bathroom with a bathtub, a kitchen with an office area, and a spacious living room with direct access to a terrace with very good views. This house is in its original condition but in good state, with radiator heating, a boiler, and separate utilities. The house is located near a bus stop and a 10-minute walk from the FGC train station.
