As one of the most innovative real estate investment trusts of Turkey in terms of developing living centers such as malls, entertainment areas, housing, offices and hotels with a focus on people and life, we have an experience of more than 30 years in construction sector.

Having been signing projects which add value for Turkey, we are proud of building Project, a new town which will be a milestone for Istanbul with its unique location, green areas and a promise for a privileged life.

Located at junction point of giant transportation projects current and scheduled in the crossroads of TEM Alibeyköy, only 7 km away from Levent and Maslak, Project will always give you the energy of Istanbul.

Welcome to the warm, environmentally friendly and modern world of Project, a new district of Istanbul meticulously designed by us considering all details to give you and your beloved ones the best.

Consisting of 17 separate blocks and 2 neighborhoods, Project is designed with high standards of living, perfect comfort and aesthetics. 2.288 apartments with nearly 50 different types from 1 bedroom +1 living room to 4 bedrooms +1 living room are developed in conformity to your needs.
