An individual house with a total area of 150,90 sq. m. is part of the second stage of a unique eco complex of houses in the style of "old Bulgarian house" in Sveti Vlas. It consists of 29 houses (21 single and 8 twins). The house is sold turnkey, unfurnished. The layout of the house includes entrance hall, living room with kitchenette, veranda, WC and internal staircase. On the second floor there are three bedrooms each with WC/bathroom, laundry room and terrace. The house offers wonderful panoramic sea views and inspiring forest views. All materials used are eco-friendly, with eco-certificates and are of high class, the look of the complex is in harmony with the surrounding forest environment, which combined with the proximity of the sea, the mountains and the prestigious location fully justifies the investment in buying a house in the complex. In the immediate vicinity of the complex, are located all amenities and attractions - beaches, marina, shops, restaurants, cafes, beauty and spa centers, amphitheater, and much more.
