On the first floor there is the kitchen area - the kitchen and dining room, bedroom, combined with a bathroom and toilet. On the second floor - living room, bedroom and bathroom. On the second floor is high ceilings and large windows «Vellux», which fills the room with natural light. Special offer- small maintenance costs, gas heating. Great apartment for those, who love the sophisticated elegance and coziness.

The area, in which the apartment is located, is historically developed as one of the most elitist. Nowadays this is a quiet green area, with embassies, best restaurants and cafes, banks, the yacht-club, all in the walking distance.
