Light-filled residential with large interior spaces, unique architecture and a natural environment with a panoramic view of the Mediterranean Sea and the skyline of Benidorm. A gated residential complex, with homes of avant-garde architecture, independent of each other, where each one of them has an exclusive design that makes them a unique piece. The houses stand out for their natural light and large interior spaces, with distributions of 4 or 5 bedrooms, 5 or 6 bathrooms, open kitchen, living and dining rooms of various shapes, terrace, swimming pool, barbecue, closed garage and elevator. It has a direct link to the freeway, 10 km from Benidorm, and just 50 km from Alicante airport and 100 km from Valencia airport. The picturesque coastal town of Altea allows us to have all the services and leisure of a big city and, at the same time, enjoy a viewpoint open to nature and the intense blue of the Mediterranean Sea, immersed in a natural environment, which is also the perfect setting for a getaway, a relaxing vacation, or why not, be lucky and make it our home.
