The complex is two two-storey buildings with 24 outdoor parking spaces, a communal swimming pool, spacious green areas and individual solariums. The houses are designed to maximise the benefits of the location, offering the best views of the golf course. Large windows are orientated to let the sun through, warming the home in winter and flooding it with natural light. Strategically placed openings provide through ventilation to the facades and patios. The environment is landscaped with native plants, which promotes water conservation and maintains a bioclimatic balance. The vegetation purifies the air, creates cross ventilation and absorbs CO2 emissions. All homes are designed and equipped to high energy efficiency standards. **BEDROOMS** 2 or 3 bedrooms. **BATHROOMS** 2 bathrooms in each house. **ADDITIONAL AMENITIES** Private parking space outside, communal swimming pool, spacious green areas, individual solarium and terrace.
