9 independent villas on 2 floors or ground floor, with sea views and finished with high quality materials. Each of the villas has 3 bedrooms and 2-3 bathrooms, with private garden, swimming pool and a large garage with capacity for 2 cars. The main aim of these villas is to create a harmonious combination of design and comfort, with an open plan layout and meticulous attention to detail. The large windows allow for effortless indoor-outdoor transitions, making it possible for the homes to blend in with the Mediterranean landscape when the terrace doors are opened. Located in Finestrat, these villas offer convenient access to the town centre, all amenities and the beaches of Benidorm, which are just a 15-minute drive away. You can also explore the Cabo de Huertas in Alicante, the picturesque town of Altea, or play a round of golf on the nearby courses, all within 40 minutes of Alicante International Airport. These villas provide an oasis where nature is an integral part of your daily life, with stunning sea views and Mediterranean sunlight flooding into your home. Enjoy the warmth of the sun all year round.
