12 luxury villas surrounded by green areas and golf courses, covering a total area of about 3 hectares, located in Finestrat - Benidorm (Alicante). Each villa exudes an air of elegance and sophistication, boasting 3 spacious bedrooms, 2 bathrooms, and a host of exceptional features. Embrace a life of leisure as you revel in the privacy of your own private pool and meticulously landscaped garden, creating a serene oasis for relaxation and entertainment. The houses are thoughtfully designed, with a fitted kitchen that comes complete with top-of-the-line appliances including an induction hob, electric oven, extractor hood, microwave, and sink. Moreover, the villas are equipped with an efficient aerothermal system for domestic hot water production, ensuring optimal energy usage. Revel in comfort and climate control with the complete installation of hot/cold air conditioning via ducts, providing the perfect ambiance throughout the year. The location of these villas is truly unbeatable, just a mere 5 minutes away from the glistening waters of the Mediterranean Sea. Surrounded by majestic pine forests, prestigious golf courses, and an array of leisure centers, this idyllic setting is also in close proximity to renowned theme parks such as Terra Mítica and Terra Natura. Living in the picturesque town of Finestrat is a luxury bestowed upon a fortunate few, and its exceptional climate ensures a high quality of life all year round. The gentle sea breeze during the summer months keeps temperatures pleasant, while the mild winters are a result of its unique topography. Finestrat is a small town of 6,000 inhabitants located just a few minutes from Benidorm. Its privileged location has some of the best views of the entire coast of Alicante, between the majestic Puig Campana and the wonderful skyline of Benidorm, something that the residents know very well and that gives them an incomparable feeling. Finestrat is a town full of charm, its streets soaked in colour, with its typical facades painted in different colours and with an architecture that delights the most observant retinas.
