Spain, Costa Blanca

Price:	€ 785 000
Object type	House
Market	Resale
Bedrooms	3
Land area	595 m2
Area	230 m2
Category	For sale

A spectacular turnkey villa in one of the most in-demand areas of the Costa Blanca. A private street gives access to the urbanization and the private plot of this villa. Villa has 3 bedrooms and 3 bathrooms, one of them en suite. A spacious and bright open kitchen, equipped with high quality appliances, living room with high ceilings, private pool, BBQ and two terraces with open views. The house also has a basement with an English patio that gives it a large amount of natural light and it can be used as a gym, office, bedrooms, game room or any other use you want to give it. In addition, the villa is located in a closed area which has a large swimming pool for adults and another for children, play areas for children, a training area, and paddle tennis courts. In the area there are international schools, amusement parks, beaches and coves, mountain walks, tourist areas, public transport and shopping centers, business centers. Villa has built-in air conditioning throughout the house, fitted wardrobes, design details throughout the house, motorized blinds, quality finishes and a modern design to give it a feeling of quality and spaciousness.
