This building's exterior design is a testament to modernity and sophistication, transforming the skyline of Benidorm's western beachfront. This monumental project encompasses over 10,000 square meters of communal and recreational spaces. Among these, you'll find expansive gardens, pools featuring jacuzzis, a serene chillout lounge, and a beach area spanning more than 2,000 square meters, bedecked with natural grass. Adding to its allure, the complex boasts an extensive sports zone complete with a tennis court, paddle tennis courts, a multi-sports court, petanque courts, and a panoramic 150-square-meter gymnasium sure to delight even the most demanding athletes. For those inclined towards tranquility, there are inviting picnic spots, chess tables, as well as massage rooms and a sauna, rounding out the amenities of this grand Resort. Families will appreciate the secure children's area, replete with a playground, climbing wall, and a pool within a safe enclosure, providing an ideal space for your little ones to frolic and play.
