Brand new apartments just 50 meters from Levante Beach in Benidorm. The kitchen comes fully equipped with top-of-the-line appliances. The induction hob has three zones and is elegantly designed. The combined refrigerator operates with No Frost technology. For added convenience, the dishwasher is 60cm in size. The decorative wall-mounted extractor hood is tiltable and showcases a modern design. Completing the set is a washer-dryer with a good capacity. All appliances are from renowned brands. The air conditioning system provides both hot and cold air, ensuring comfort throughout the apartment. Heating throughout the house is efficiently provided by underfloor heating. This advanced heating system ensures significant energy savings. In addition to heating, the same system will be employed to produce domestic hot water (DHW), promoting energy efficiency and sustainability. The mezzanine of the building covers an expansive area, accommodating a spectacular swimming pool, lush gardens, and communal leisure areas. The swimming pool features a separate shallow area for children. Surrounding the pool is a spacious solarium with sun loungers and parasols, complemented by an open-air shower area. Enhancing the communal experience is a large covered multi-purpose terrace, perfect for various shared activities. A perfect opportunity to live near the sea! Delivery date: April 2024 Prices start from 525.000 EUR (VAT not incl.)
