Istria, Rovinjsko selo, luxurious family house with a swimming pool and garage on a spacious plot surrounded by greenery.

The house will span three floors, with a total net usable area of 212.49 m2, situated on a spacious plot, the last one in the construction zone, surrounded by greenery. The house will offer complete privacy.

The ground floor will feature an open-plan layout with a spacious living room, dining area, and kitchen totaling almost 50 m2, all filled with natural light thanks to large glass walls that provide access to the covered terrace with summer kitchen and private garden with a pool sized 32 m2. Additionally, there will be two guest toilets, storage room and access to the garage.

On the first floor, there will be three comfortable and spacious bedrooms, each with its own bathroom and access to the covered terrace, offering beautiful views of the surroundings.

The house will have an underground garage with space for parking as well as a storage room and utility room.

The property will boast a well-maintained garden with Mediterranean vegetation, including a spacious pool area and a covered terrace with seating, ideal for outdoor entertaining.

The outdoor space will also offer four parking spaces available.

Key features include PVC windows with triple glazing, high-quality technical equipment, and heating provided by air conditioning units and underfloor heating throughout the house.
