Dubrovnik - This is the upper part of a stone palace that stretches over five floors within the walls of Dubrovnik, in the core of the city. This area is a protected cultural monument and is under the safeguard of UNESCO.

The property comprises of two residential units situated across several floors or five separate accommodation units.

The building offers views and openings on three sides (north, south, and east) and is exceptionally located near the main street, Stradun, with convenient access and no stairs.

At present, the palace is being used for commercial purposes, providing a total of eight accommodation units for rental services.

Please feel free to reach out if you need further information.
