Two houses with a perfect view of the sea. Both new ones were built: one completed 7 years ago and the other 4 years ago. The total area is 245 square meters, and the land area is 407m2 with fruit and olive trees. There is a garage and a small apartment next to it for a cleaning lady, internet, video surveillance. There is also a private pool in the yard, which also offers a perfect view of the sea. Right next to the house there is a natural stream from which the water is brought to the pool located behind the house. The water is clean and suitable for drinking and all standard needs. There is no charge for water, and the stream serves for a special pleasure, especially after sunset. Until now, the house has served as a rental facility with a large number of tourists every year. The distance from the highway is 400m, and the road is paved. The house is 800 to 1000 meters from the coast.
