New residential complex located in one of the best areas of the city in Becici. Near the place where the complex is located, there is all the necessary infrastructure. There is also just 200 meters from the beach and the promenade line. The outer part of the building complex is represented by a unique design combination of classic and avant-garde styles. And interior decoration meets all quality standards. Most of the apartments overlook the sea and the peninsula Sveti Stefan. Other apartments have beautiful mountain views. There are also four passenger elevators and 24-hour video surveillance will be installed. There are swimming pool, a restaurant, a closed children's room with video surveillance, and a clinic in the complex. There is also the possibility of purchasing a garage space in the underground parking. Due to the convenient location of the buildings, all apartments are in demand for rental, both in summer and year-round. The end of construction is planned for the end of March 2021.
