Istria, Pula, apartment on the first floor of an exclusive residential building in a new building that represents something completely new on the market. The unique new building offers a wonderful view of the sea.

Apartment B9 has a net area of 103,91 m2 and consists of an entrance hall and wardrobe, three bedrooms, a living room with kitchen and dining room and a spacious covered terrace. The apartment is oriented to the north.

Parking spaces and storage rooms are optional and are paid according to the calculated coefficient.

The apartments are sold according to the "turnkey" system with a fully equipped bathroom (furniture and sanitary ware), floor coverings in all rooms (class 1 ceramics, laminate), with installed electrical installations, built-in air conditioning, internal carpentry, external PVC or ALU carpentry, burglar-proof and fire-proof entrance doors, antenna system, UTP network, and white walls and ceilings.

This property has great potential as a tourist rental investment, but also for a family since it is located close to a kindergarten, school, shops and other facilities. The most that this property offers is peace due to the location and a wonderful view, in addition to all this exceptional construction and luxurious equipment.
