We are selling a beautiful penthouse in the tourist resort of Medulin on the southern coast of Istria. The penthouse is spread over two floors, offering extraordinary comfort and luxury. On the lower level are three spacious bedrooms, each carefully designed with enough space for large beds, wardrobes, and additional furniture. In addition to the bedrooms, this floor has a modern bathroom equipped with high-quality sanitary ware, including a shower cabin or bathtub, a sink with cabinet, and high-quality ceramics.

The upper floor is the central part of the penthouse. There is a large living room with plenty of natural light coming in through the large windows. The space is designed for maximum comfort with enough space for a large sofa, TV, and other elements for relaxation. The kitchen and dining room are located in an open space concept. The kitchen is equipped with quality appliances, including an oven, hob, dishwasher, and large fridge. On this floor, there are three more bedrooms, just as spacious and well-lit as those on the lower floor, and an additional bathroom.

The upper floor also has large terraces that surround the apartment, offering a spectacular view of the surroundings and the sea. Terraces are ideal for outdoor relaxation, sunbathing, or evening gatherings.

The penthouse is equipped with an elevator that leads directly to the apartment. The entire apartment has underfloor heating, air conditioning, and a fireplace.

This penthouse in Medulin offers everything you need for a luxurious and comfortable life in a wonderful location. With its spacious layout, modern facilities, and beautiful view, it is an ideal choice for families, couples, or investors looking for top-quality accommodation on the Adriatic coast.
