Krk, a house with three apartments, with a net usable area (NUA) of 335.83m² and a sea view, close to a green zone, in a peaceful and pleasant location. On the ground floor, there is an unfinished apartment with a NUA of 116.33m², with an accompanying garden that needs complete landscaping. On the first floor, there is a move-in-ready apartment with a NUA of 119.63m², featuring three bedrooms, a living room, and a large terrace. The second floor houses an identical apartment with a terrace, in a high unfinished state, which includes space in the attic. The staircase is shared, as well as the access to the house and parking.

The house is interesting as a tourist investment due to the nature and guests who prefer such locations.

The documentation is in order.
