Istria, Opatalj, Stone house from the 12th century

A large autochthonous stone house with a tower dating back to the 12th century is for sale just a few steps from the old town of Opatlje.

The house consists of a basement, ground floor, first floor and attic with a total floor plan area of approx. 270 m2. The water is in the house, the electricity needs to be reconnected, the septic tank is on the plot. The house requires complete adaptation.

Along with this house comes an agricultural land with a total size of 2468 m2, which is only about 30 m from the house.

Considering the possibility it offers, it is an ideal investment for a holiday home as well as for year-round living.

There are many agritourisms, restaurants, wineries and various other facilities nearby.
