Brela, modern and furnished apartment - new construction and first line to the sea. The apartment of 94 m2 is located on the second floor of a residential building with a beautiful view. It consists of two bedrooms, two bathrooms, a kitchen with a dining room and a living room with access to a spacious loggia.

The apartment is for sale fully equipped and furnished, and the price includes two parking spaces. In the neighboring building it is possible to use additional facilities - swimming pool, gym and sauna. It is also an ideal property for investment, with the property management of the entire facility already in place.

Brela is the first place you approach on the Makarska Riviera traveling along the coast from Split. It is a lovely town with long pebble beaches and a pine forest, and it is quieter than Makarska. For these reasons, it is a popular resort (especially for families and those looking for a relaxing getaway).
