In the vicinity of Pomer, a beautiful and well-organized tourist destination, only 100 m from the sea, there is this beautiful tree bedroom apartment, NKP 100 m2.

You can see the sea from every room, which is really rare in real estate.

The apartment is located on the first floor of a smaller residential building. It consists of an entrance hall, three large bedrooms, two bathrooms, one of which is part of the bedroom, and another toilet, a modern Italian kitchen and a bright living room with access to the terrace and a beautiful view of the sea.

Almost every room has an impeccable view of the blue sea. The apartment is heated by electric radiators.

The apartment also has a large garage parking space, as well as a storage room, and access is possible via an internal staircase from the living area.

The distance from the nearest beach is only about a hundred meters. One pleasant and peaceful environment with a handful of opportunities for rest, whether for sunbathing and swimming or cycling along the organized bicycle paths all the way to Premantura.

We are at your disposal for more information about this unique apartment.
