Istria, Sveti Lovreč, a modern single-story house with a net area of 110 m² (gross 150 m²), situated on a spacious 911 m² plot.

The house features an entrance hallway, an open-plan kitchen, dining room, and living room, a pantry, three bedrooms including a master bedroom with an en-suite bathroom, and an additional guest bathroom. The outdoor area boasts a 3x12 m swimming pool, a large 32 m² terrace, and an additional 17 m² terrace accessible from the bedrooms.

The house is equipped with modern LED lighting in niches, curtain rails, a pre-installed fireplace outlet, and underfloor heating via a heat pump. All rooms are air-conditioned, and the interior is finished with high-quality ceramics. The exterior joinery is made of PVC with triple-glazed windows, ensuring excellent energy efficiency.

The large garden is prepared for automatic irrigation and features a setup for an outdoor kitchen (including a concrete slab and installed electrical, water, and sewage connections). The property also includes parking for three cars, and the entire plot is fenced, providing privacy and security.
