4 bedrooms villa in peyia, paphos

Cyprus, Paphos

Price:	€ 1 220 000
Object type	House
Bedrooms	4
Area	225.00 m2
Category	For sale

A unique opportunity to purchase plots in this elite villa neighbourhood to build a custom residence to suit your lifestyle. The project offers a choice of three generously sized plots in an elevated position with views to the Mediterranean sea. Our experienced architects are on hand to guide you through the villa design process. Alternatively, for those seeking a more controlled and formed approach, some proposed designs have been drawn for each plot. Each design has been crated to offer a fully detached spacious 4 bedroom residence with private swimming pool and ample garden space. The conceptual plan of a super villa is also available offering a 593 sq m detached residence on a double plot. This state-of-the-art unique custom build has been carefully designed to take full advantage of the impressive views and generous plot size. Covered Area 203 m2 Plot Area 834 Å m2 Covered Balcony 21.50Å m2 Uncovered Balcony 41.14Å m2
