Introducing a newly-finished 3-bedroom aesthetic villa situated in the heart of Ungasan, Bali. This villa offers modernity, elegance, and convenience in one of the most beloved neighborhoods in the south region of Bali. Reachable in just a 5-minute drive from the iconic GWK Cultural Park and a 15-minute drive from the exotic Melasti Beach, this property provides easy access to the popular cafes, restaurants, supermarkets, golf courses, beach clubs, world-class wellness centers, etc, in the area.

This 1-story villa is built on 400 sqm of land with 142 sqm of living area on a 2-building layout, it boasts a stunning modern tropical vibe and elegant finishing throughout. The main building features 1 master bedroom with a full bathroom and a bathtub and 2 regular bedrooms, each with an ensuite bathroom. All rooms have quick access to the swimming pool area. The second building features an expansive living area that includes a modern kitchen section with a dining space, 3 living rooms that can also be used as workspaces, and a powder room.

The exterior of this charming villa features a large private swimming pool with sunken seating in the middle, a flowing pool deck area with sunlounger, a large tropical garden with pathways, and a cozy pergola with seating. In addition, this property also provides a parking space that fits a car and several bikes, making it an adorable sanctuary for a family or groups.

Listed with an attractive price of \$385,000 with a 30-year lease period, this fully furnished villa presents a golden investment opportunity for those who seeking a brand new home with perfect functionality in a popular spot in Ungasan/Bukit area of Bali.
