Inspired by the waves of the sea and the curves of the windblown sails, the project is a unique one on the Limassol coast. The elegantly shaped residential tower perfectly combines luxury living, privacy, tranquility and provides maximum enjoyment to its owners. The project consists of a 16-level tower with 23 apartments, two on each floor on levels 2 to 12 and three exclusive penthouses, one on each of the 3 top levels. Apartments on levels 2 to 12 may be combined to form 4-bedroom apartments that take up the entire floor. A new lifestyle concept where the residents of each of the exclusive apartments can enjoy the benefits of a boutique hotel with catering, room service, spa and gym facilities and the use of a swimming pool that hangs above the calmness of the sea below. At the back of the building a secure garden and children playground has been designed for the use of the owner; families. In the basement we have placed secure car parking and storage facilities for the apartments whilst guests may use the convenient car park available in a separate area behind the building.
