empa, paphos**

Cyprus, Paphos

Price:	€ 400 000
Object type	House
Bedrooms	3
Area	149.00 m2
Category	For sale

The new project is located in a secluded area near Paphos between Empa and Tala villages. The Project is all about the view and comfort. The area is surrounded by lush trees and bushes. At the same time, it offers one of the best views in Paphos: the sea and the city. Together with the separated from village area which secures your privacy, it has its convenience. Houses is granting easy accessibility to all necessary amenities: international school, supermarkets, seashore, and city centre. Project consists of 13 villas in luxury lagom design with the traditional use of stone and wood finishes. All of them have their private parking on spacious plot of 400 sq.m. It is all about balance, comfort, harmony, clean lines and light colors. Everything about the villa makes feel calm and brings a peace of mind.
