**Upcoming cliffside 1-bedroom villa
with mountain view**

Indonesia, Bali

Price:	€ 333 333
Object type	House
Bedrooms	1
Area	150 m2
Category	For sale

Discover the breathtaking beauty of Klungkung Regency, Bali, where this stunning villa awaits to redefine your concept of luxury living. Perched gracefully on a cliffside, this remarkable villa features a distinctive hanging swimming pool that offers unparalleled views of Bali's majestic mountains, cascading waterfalls, and the endless expanse of the sea.

From its elevated construction on concrete columns, this single-floor villa spans 150 square meters of meticulously designed space, seamlessly blending modern elegance with the natural splendors of its surroundings. Commencing its journey on January 30, 2024, and set to complete on January 30, 2025, every detail of this property has been crafted to elevate your lifestyle experience.

Set upon 400 sqm, this property is priced competitively at \$360,000 for a 30-year lease period. It presents an exceptional opportunity to own a piece of Bali's serene landscape. The backyard and pool area offer an awe-inspiring panorama: on the left, gaze upon verdant mountains, on the right, behold the azure sea, and underneath, marvel at a picturesque waterfall cascading gently.

Whether you seeking an adventurous retreat or a tranquil escape, indulge in the ultimate sanctuary where nature's beauty meets contemporary luxury with this marvelous cliffside villa where every moment is a testament to the harmonious blend of modern living and natural wonder.
