Krk, Milovčići, villa with two apartments, a swimming pool, a garden, and 6 parking spaces. The western part is finished, while the final touches are being completed in the eastern apartment.

Each apartment has a separate entrance and a private yard. On the ground floor of each apartment, there is a living area with a kitchen and dining room, a bedroom and a bathroom, and stairs leading to the first floor where two bedrooms with en-suite bathrooms are located. Glass balcony surfaces and modern architecture characterize this interesting new construction. There is no sea view, but the view extends to olive groves and vineyards.

The neighborhood is neat and well-maintained, with several new constructions in the surrounding area.
