138.92m2 house, on the fifth floor of a building completely renovated with top quality elements. In the day area we have a large living-dining room facing the street, an independent kitchen with the possibility of integrating it thanks to its large sliding door, a utility room and a guest toilet. In the night area, we have 3 double bedrooms with exterior windows and a complete bathroom equipped with a bathtub. The master bedroom is a suite, it has a dressing room and a full bathroom with a shower. On the ground floor of the building we have a storage room for the greater comfort of its owners and a multipurpose room. I am located in a strategic enclave, next to the main arteries of the city of Barcelona, this building is undergoing rehabilitation. Along with the elegance of the classic, the comprehensive rehabilitation of a building and all the homes has been planned.
