This charming family home, built in the traditional architecture of the Cap Marti / Tosalet area in Javea, offers ample space and comfort with its two floors connected by internal stairs. The house boasts 7 generously sized bedrooms (3 upstairs and 4 downstairs), including 4 with en-suite bathrooms, making it ideal for a large family or guests. The property features a well-maintained garden with a lush lawn, a spacious swimming pool, and a barbecue area perfect for gatherings and relaxation for both children and adults. What you'll love about this home: A large closed garage of about 30m2, conveniently connected to the house. Solar panels for hot water, adding energy efficiency. The downstairs area, complete with its own kitchen, was renovated in 2005, providing additional living space. Enjoy distant sea views from some of the rooms and terraces.
