Zagreb, Stenjevec, designer four bedroom apartment 78 m2 on the 3rd floor with a private terrace on the 4th floor and 7m2 storage room. With the apartment comes a covered outdoor parking space behind the building protected by a ramp and video surveillance.

The apartment consists of a spacious hallway that connects to the open concept kitchen, dining room and living room. Another part of the hallway leads to 3 bedrooms and two bathrooms. The terrace attached to the apartment has been turned into a spacious study. The apartment was designed by the famous Eco Feng Shui designer Lana Anderson, and the apartment is fully equipped and adapted with floor heating and smart home functions (electric blinds and canopies).

On the 4th floor, the terrace has been transformed into a spacious green oasis that offers complete privacy from nearby buildings. It is equipped with a wooden floor, light decorations, a jacuzzi and complete barbecue equipment.

Quality insulation contributes to low costs in summer and winter. All meters are for own consumption.
