Vis town, an apartment house located near all necessary amenities and only a few minutes' walk from the city center and the beach.

It extends over 4 floors, basement, ground floor, first and second floor, total living area of 393 m2.

It has been completely renovated in the last two years, which includes brand new bathrooms, modernized kitchens and modern furniture. Each room and apartment is equipped with Smart TVs and new beds to ensure maximum comfort. The house is covered by high-speed internet, which is ideal for guests who want to stay connected and in touch while enjoying the peace and beauty of Vis.

This property has seven apartments, of which five are large apartments and two are studio apartments. Each apartment is spacious, bright and equipped with air conditioning, which ensures a pleasant atmosphere throughout the year. Large apartments provide enough space for families or larger groups, while studio apartments are perfect for couples or individuals looking for comfort and convenience. In addition to the apartment, the house also has one double room with a small kitchen, ideal for preparing simple meals, and one single room that provides privacy and peace.

The house is equipped with a solar water heating system, which not only contributes to environmental sustainability, but also reduces energy costs.

This property represents an excellent investment, whether you are looking for a holiday home, permanent residence or as a business opportunity to rent an apartment in one of the most attractive locations on Vis.
