The complex has 71 villas, 24-hour security, car parking, a fitness center, a coffee shop, and a shuttle service that allows residents to quickly get to the beach. The villas differ in design and design from other projects of the developer - they are still the same stylish, but the atmosphere in them is more comfortable and homely. All villas have a green local area, a swimming pool, and panoramic windows. The living room is combined into a single space with a dining room and an equipped kitchen, and the bedrooms are complemented by bathrooms and storage areas.
